1. The annual management fee is the fee charged by 27four for managing or administering the fund.
2. An annual distribution fee is an annual fee payable to financial advisors by 27four for marketing and distribution services. This fee is included in the annual management fee and will not reflect on investor statements. You cannot negotiate this fee percentage. Each Investment Option set out herein may have more than one class available. It is important for investors to understand that the class they select will determine whether the fees payable are fixed or are negotiable and how the fees are deducted. Certain fee classes will pay the Annual Distribution Fee to financial advisors. Financial Advisor Fees agreed to by the investor will be in addition to the Annual Distribution Fee. Your financial advisor must disclose all fees payable to him/her/it to you.
3. ASISA is the Association for Savings and Investments South Africa.
4. The ASISA classification is when ASISA classifies portfolios that are registered with the FSCA according to where they invest, either being locally or off-shore, and what they invest in (e.g. shares or bonds).
5. The Benchmark is an index or measure which is used to calculate the rate of return that a portfolio needs to achieve.
6. Regulation 28 of the Pension Funds Act 24 of 1956 determines investment limits that are considered suitable for retirement savings purposes. Some Portfolios are managed to comply with these limits.
